

Employee Survey for **WORKPLACE CHARGING**

Electric vehicles (EVs) are vehicles that are either partially or entirely powered by electricity. We are considering the installation of charging infrastructure to assist employees who drive EVs to work. Your responses to this survey will be used to determine employee interest in this benefit.

- Participation in this survey is voluntary and you do not need to respond to any of the questions that you do not wish to answer. -

1. If you drive to work, approximately how far is your trip (one-way)?
 - Less than 10 miles
 - 10-30 miles
 - 31-50 miles
 - More than 50 miles

2. Throughout the workday, what is your usual travel pattern?
 - I stay at the worksite and do not move my vehicle.
 - I leave the worksite and move my vehicle once per day.
 - I leave the worksite and move my vehicle more than once per day.

3. Do you own or are you considering purchasing or leasing an electric or plug-in hybrid electric vehicle?
 - Yes, I already own one.
 - Yes, I am considering purchasing in the next 6 months.
 - Yes, I am considering purchasing in 1-2 years.
 - Yes, I am considering purchasing but I'm not sure when.
 - No

4. Do you or would you have the ability to install a charging station at your residence?
 - Yes
 - No
 - I don't know

5. Do you think EV charging is something we should have available to employees?
 - Yes
 - No

6. If we were to install EV charging stations, would you use them?
 - Yes
 - No

7. Would having access to an EV charging station at work increase the probability that you would purchase an EV in the future?
 - Yes
 - No

8. What is the most you would be willing to pay for use of the charging stations (if applicable)?
 - \$0
 - \$0-\$10 per charging session
 - More than \$10 per charging session
 - Prefer a flat fee per pay period.

Thank you for taking time to complete and return our survey. If you wish to provide any additional comments, please do so here:

Thank you!
